

Donna-Marie's April & May 2020

Remembering what the guides have told us about 2020...This is “The Year Of The Truth” As we ask ourselves what is the “truth” for each of us – we may find ourselves prioritizing what is of great importance to us. Life is our gift from God. Living from our hearts may be the gift we can give back. As a global shift of consciousness is upon us - this may be the magic key to healing ourselves and Mother Earth.

Prayer requests for healing may be emailed to me (dmlreiki@yahoo.com) and they will be placed before the Angels of Healing each day for 30 days. If you wish to join me in prayer from your home at 8:30am and/or 8:30pm. Know this will be powerful.

Simply email me the names of those who have health challenges, their gender, age or “baby, child, or adult” along with their medical problem or condition. As we believe in the power of prayer we will see miracles.
